Advantages to wholesale orders with Intuition Physician:

- No minimum price needed to place a wholesale order
- Low minimum quantity: start with as little as 5 items
- Flexible shipping: can ship directly to you as a distributor or directly to your customers individually
- Made in the USA in small batches, supporting local craftsman and artisans
- Resell items at the suggested retail price or at any price point that you choose —each item is priceless in health benefits so I am comfortable with you raising the price point on any item to meet your market
- Resell in any territory and through any venue — Amazon, Ebay, etc… as well as through your own brick and mortar shop or online shop
- All wholesale orders are handled directly by Dr. Laura Koniver, M.D. to ensure that each item is personally inspected & that all items arrive in perfect brand new condition
- All items are the same exact healing tools that Dr. Koniver uses directly to her patients in her private medical practice, so you know these items are highly therapeutic, medical grade healing tools
