Advantages to wholesale orders with Intuition Physician:

No minimum price point needed to place a wholesale order, and minimum quantities start with as little as 5 items! All orders ship with tracking information. You may resell items at the suggested retail price or at any price point that you choose. All orders are handled directly by Dr. Laura Koniver, M.D. to ensure that: each item is personally inspected, the selection of healing tools are of the very highest quality, ecofriendly materials used whenever possible, that all items arrive in perfect brand new condition ready to sell, and that all items are the same exact healing tools that Dr. Koniver recommends directly to her patients in her private medical practice -- so you know that each item really works to restore optimal Well Being!
